Abu Dhabi Terminals is pleased to announce the completion of a comprehensive review of the container terminal tariff for Khalifa Port Container Terminal.

This first comprehensive review since 2010 ensures that Khalifa Port Container Terminal provides the trade with a structure and cost that is competitive globally, regionally and locally.

At the same time, the new tariff reflects the substantially upgraded services and infrastructure available to our customers.

The revised tariff will be effective from 1st January 2014, and is available for download on our website at www.adterminals.ae.
