Subject: Trucking Routes: Khalifa Port to Musaffah and Musaffah to Khlaifa Port

Abu Dhabi Terminal wishes to inform all Trucking companies and other Khalifa Port users that in line with our circular Ref. No.: ADT-COM/077/2012 dated: 13th August 2012.

Kindly be once again advised as follows:

- A) **Truck Routes from Khalifa Port to Musaffah**: The truck follow primary route on the E11. The use of E11 is subject to special permit.

The special permit can be obtained from: licensing@adpc.ae.

The contact person is: Mr. John Ewing, Ports Licensing Manager.

Ban timing implemented by AD Police on E 11 between bridge 366 and E10/11 junction at new Shahama:

Sunday to Thursday : 0700 hrs to 1000 hrs.

Friday : No Ban

Saturday : 1700 hrs to 2200 hrs.

- B) **Truck Routes from Musaffah to Khalifa Port** : It is specifically stressed that E 11 route is not a route approved from Musaffah to Khalifa port, whether or not the company holds a permission as mentioned above, between Khalifa Port and Musaffah. There is an alternative route, container trucks may use route where E16 and E22 link with truck route between Abu Dhabi and Dubai (**AL FAYA ROAD**). This route is free of separate truck bans periods and does not require further registration with AD Police.
