

REF. ADT-COM/06/2009

Date: 27th -August-2009

**TO: ALL SHIPPING LINES, AGENTS,
TRADERS AND PORT USERS**

SAFETY RULES WITHIN PORT OPERATIONS AREA

In our continued efforts toward creating a safe environment at Abu Dhabi Terminals, we earnestly request all our valued customers to comply with the following requirements with effect from 10th of September 2009:

- No one will be permitted to enter the General Cargo Operational Area without basic protective equipment (Jacket; Safety Shoes and helmet shall be worn while outside your truck or vehicle)
- Maximum speed limit 30 km/h
- Mobile phone must not be used when driving in the port facilities
- Seat belt must be worn
- Beacon light must be used when in the port facility
- Traffic flow shall be respected

The use of the safety gear is obligatory to all individuals, as long as they are within the operational area. This is to ensure their safety and safety of the port.

This will be strictly enforced and our security will be instructed to bar entry of any individual found not complying with the above requirements.

We look forward for your cooperation and support in achieving our objective of a safe and accident free operation.

Should you required any further clarification, please feel free to call our HSSE Dept. on Tel: 02 6734206 Fax: 02 6734232 E-mail: HSSE@adterminals.ae
