Stools & Beam for H/L Ops

Dear All,

This is in regarding placing of Stools & Beam for H/L Ops at ADT

Please be advised that there will be a time-frame for all stools & beams arriving in the Port for heavy lift operations w.e.f 17/11/2009

Please note 5 day period will be offered in two phases. First phase i.e. the 5 day period will start when the cargo arrives within Port premises. The second part, i.e. 5 days to remove the stools / beams will be offered when the cargo is moved out of the Port. The charges will be raised as per ADT tariff (which is amended time to time) if the stools / beams are not moved within 5 days after the cargo is moved out of the Port.

Please instruct the concern in your company to ensure strict compliance.
