Subject: Line change of SOC empty containers at KPCT

Ref:
KPCT/2014/CIR/38

Dear Valued Customers,

From:
Abu Dhabi Terminals

In line with our continuous endeavors to facilitate the ease of doing business at Khalifa Port Container Terminal, we have revamped the empty Shipper Owned Container (SOC) acceptance procedure at KPCT. The new procedure gets implemented with immediate effect.

To:
All Shipping Lines,
Agents, Traders,
Transporters and Port
Users

As per the new procedure, the Shipping line/agent will have to send an acceptance letter in form of e-mail/hard copy prior SOC empty container gated in to Terminal to Planning Department in order to accept the SOC empty container in new line. This request will be subject to one computer data amendment charge as per tariff item# 118.1.n.

However, if shipping line/agent sends a line change letter after empty container gated in to Terminal, then the line change of SOC empty container will be subject to interchange between lines (tariff item# 118.1.m) plus one shifting charge (tariff item# 107.1)

We thank you for your support and understanding in this regards.
